☐ Complete this question 1

Question 1

(a)

Claim. *OxCSMiniproject is awesome*

Proof. OxCSMiniproject allows for an easy start to the formatting of your Oxford Computer Science part C mini-project, saving you time to work on what you actually need to work on, and making sure your solutions are clear and easy to read. ☐

Corollary 1.1. *OxCSProject is also awesome, since OxCSMiniproject is based on it.*
